XXXII Concert Season

There are places in the world where, even if you don't want to, you would bump into. On the contrary there are others so hidden and remote that you would struggle to get to. There are crowded, noisy places that would send you to isolation and there are others so silent and quiet that invite you to pleasantly mingle with people. There are places which are fully-equipped, but cold and impersonal and others where any single stone reveals history and traditions in a cozy and intimate atmosphere. If you are looking for such a treasure and rare venue, you've got it!

The concert season by Ravello Concert Society (RCS) is a traditional and well established event in Ravello which over the years has delighted thousands of visitors with a wide range of performances by soloists and chamber music groups: excellent musicians who offer interesting, engaging music. And, there's always the chance to make new friends, meet the artists and escape from your "to-do" list for an hour or two.

The RCS is pleased to announce its 32nd season of concerts. The 2017 programme showcases a changing lineup of musicians and groups featuring works from classical selections to enjoyable jazz performances. As in past seasons, concerts will start at **7.00 pm** (from **27th March to 12th May** and from **11th September to 3rd December**) in order to take advantage of the public bus service, which is reduced in Winter and Spring. The concerts from **15th May to 9th September** will start at **09.00 pm**, to give concertgoers time to enjoy Ravello and our music, possibly after a nice dinner in a typical restaurant.

The new season will open on Monday **27th March**, with a piano recital by Fabrizio Romano, whose technical prowess and compelling interpretation make him an highly requested performer. It continues with 30 weeks of concerts, until **December 3rd**, a sequence of musical events featuring musicians with undeniable skills.

Several recurring themes are woven throughout the season, such as the Hadimova String Quartet's projects of the complete series of quartets by Haydn (**April 3th**), Beethoven (**May 1st**) and Schubert (**October 30th**). Mendelsohn's series of quartets will be completed on **September 11th**. Rocchino&Ciocchetti continue with the complete series of Mozart violin sonatas on **April 17th** and **July 10th**, while the first date of the series of Bach's cello Suites will feature Silvano Maria Fusco on **April 10th**.

The season will be filled with celebrations of the milestones of classical music such as Beethoven, who will be the subject of two recitals by the pianist Giuseppe Maiorca on **May 27th** and **September 16th** and one by Marco Grieco on **September 13th**; Bach will be celebrated in a recital on **April 28th** by the pianist Raffaele Maisano, who will also perform works by Chopin on **June 30th** and Debussy on **September 9th**; Marco Grieco will dedicate his piano recital to Liszt on **June 7th**.

Don't miss an eclectic season of masterpieces. You will have Beethoven's and Chopin's Piano Concertos transcribed for piano and strings performed by the pianist Alessandro Marano with the Deuce String Quintet (**May 31st, June 2nd and 3rd**) and by the pianist Lidia Ciocchetti with the Hadimova String Quartet (**June 12th**); the Brahms and Shostakovich Piano Quintets by Diomede Piano Quintets (**June 19th**). On **July 3rd** the well established "Nuovo Trio Parsifal" will perform F.

Liszt, A. Piazzolla, J. Suk and B. Smetana. Luca Mennella will offer two concerts: ballades by Brahms, Liszt and Chopin on **May 5th** and famous classical piano fantasies on **June 5th**.

Throughout the season our program will introduce audiences to our successful "Contaminations": music should bring us together and open our minds to discovery, innovation and reflection, it resists categorization, so we will happily contaminate with 14 events which feature an appealing and original crossover of classic, jazz, modern and pop music. Here are some highlights.

On **May 10th** Danilo Guido, sax/clarinet and Virginio Aiello, piano, will present "*Cole Porter's World*"; on **July 13th** the show "*Mirrors*", by the pianist Francesco Villani, will focus on classical pieces and jazz standards in the mirror with free adaptations from I. Stravinsky, G.B. Pergolesi, J. Coltrane, P. Mascagni, D. Ellington, B. Evans; "*From The Americas to Naples*" is the theme of the medley of Gershwin Songs, Jazz Standards, Naples Songs and Latin Jazz by the pianist Simone Sala, who will be on show on **July 31st**; Luca Mennella will commemorate Scott Joplin on the 100th anniversary of his death with the tribute piano recital "*All Around Ragtime*" on **August 7th**; the Mistrangelo-Maisano two piano duo will play "*After You, Mr Bach!*", jazz improvisations on Johann S. Bach Masterpieces (**October 6th**); and last but not least, on **October 20th** Ivano Biscardi, accordion, and Virginio Aiello, piano, will feature famous Italian film composers in a concert evocatively called "*La Dolce Vita*".

In 2017 RCS will launch a new project: "Satie's Vexations on the Amalfi Coast". On **August 3rd** a rotating cast of pianists - selected through a call for application - playing for at least one hour each will perform "Vexations" by Satie in the form of a marathon concert which will commence at 21:00 and last from 20 to 24 hours.

Our new recital hall, the Ravello Art Center, the former Grand Caruso Wine Cellar, very close to Ravello's main square (about 50 meters from the parking lot and 30 meter from the bus stop) will host all two-piano performances (6) including 2 recitals by Angione-Finamore, featuring Rachmaninov on **May 3rd** and music from North to South America on **September 27th**.

But, let's not forget our historical location! The Annunziata Historic Building is located just beyond the Villa Rufolo Park and, with its world famous domes, is the landmark of Ravello and its Music Festival. The Annunziata was built in 1281 by the noble family Fusco and later became part of the Rufolo family estate. A restoration work was carried out in 1982-1983, bringing the Historic Building to its original romanesque style. Since then this structure with its two Recital Halls connected by a porch, has been used as location for our concerts.

To coincide with the announcement of the new season of concerts, RCS launches a new user-friendly and responsive interface for purchasing tickets. In addition, the virtual ticket has been introduced: a tool for listening to the live recording of the concert - when available - that you might want to remember. Check on our internet site for further details.

Enjoy some of the most sought-after artists in Ravello's most acoustically perfect halls! Immerse yourself in great classics or cool jazz improvisations and be part of an audience that knows how essential chamber music is to the soul.

ABOUT RCS

The "Princess Concerts" - organized to commemorate the visit of the Princess Maria José of Savoy who came to Ravello in 1933 - was the first music festival to be promoted by the Ravello Concert Society. Since then, RCS has produced about two thousand events, featuring more than 800 musicians in Ravello and on the Amalfi Coast. RCS has developed a growing local, national and international reputation as an arts promoter, offering events with a promise of great music in casual but stimulating environments, with top-flight musicians, an ear for contemporary music and refreshing concert formats. Thanks to the support of its audience, RCS became more and more well established and strong in order to guarantee a yearly planning of events as long-lasting as possible and not dependent on public funding. The music has touched the souls of thousands of listeners and we've helped artists connect with each other and with international audiences. At RCS there are always great musicians and interesting, engaging music. And, there is always the chance to make new friends, meet the artists and escape from your "to-do" list for an hour or two.

USEFUL TIPS ...

How to reach Ravello by car

www.autostrade.it

Coming from North

Leave the motorway A3(E45) Napoli-Salerno at **Angri SUD** gate following the indications to Costiera Amalfitana and Valico di Chiuunzi pass (SP1 road).

Coming from South

On A3 (E45) Napoli-Reggio Calabria exit at **Salerno Centro** and drive along the SS163 "Amalfitana" road. This is a very panoramic but winding road where traffic jams are frequent on week-ends and holidays. It is better then to continue on the A3 and exit at **Nocera** gate to reach Ravello through the "Valico di Chiuunzi" pass.

By bus & taxi

www.sitasudtrasporti.it

Amalfi (5 Km far from Ravello) is the main bus terminal. From Amalfi there are many connections to other towns of the coast: 1h 10' to Salerno, 1h 40' to Sorrento, 50' to Positano and 25' to Ravello. The bus timetable is available at the above mentioned web site and in all tourist info points on the Coast.

A list of taxi drivers that have an agreement for special fares is available on the Ravello Concert Society web site.

Parking

We suggest the "Piazza Duomo" public parking near Ravello's main square.

On foot, trekking, climbing & MTB

www.movicoast.com

If you are staying nearby, you can also reach Ravello walking along the many footpaths which, starting from the coast, climb up to the village on a hill at 365m. Ravello is the starting point of several trails, which are part of a network of about 100 itineraries in the regional Park of Lattari Mountains. Some itineraries are also suitable for mountain bikes. A group of bikers is locally active: for further information write to info@movicoast.com.

Local products

The "sfusato amalfitano" lemon is the most renown among the local products and the "limoncello" liquor is made by infusing the lemon peel in alcohol. During the concert intermission a free taste of "Ravello Concert Society Selection" limoncello is offered by the local producer "I Giardini di Ravello" (www.igiardinidiravello.it).

Restaurants

On the evening of the concert almost all restaurants in Ravello apply a 15% discount for concert ticket holders. An updated list is available on the Ravello Concert Society web site.

Concert locations

The **Annunziata Historic Building** is located just beyond the Villa Rufolo Park: its world famous domes are the landmark of Ravello and its Music Festival. The Annunziata was built in 1281 by the noble family Fusco and later became part of the **Rufolo** family estate. In 1851 Villa Rufolo was bought by Sir Neville Reid, a Scottish botanist. He restored the Villa to its antique splendour, adding rare plants to its gardens. A new restoration work was carried out in 1982-1983, bringing the Historic Building to its original romanesque style. Since then the structure, with its two Recital Halls connected by a porch, has been used for our concerts.

Since May 2015 a new venue has been open: the **Ravello Art Center** at the former **Grand Caruso Wine Cellars**, dating back to the end of 19th cent. Very close to Ravello's main square, about 50 meters from the parking lot and 30 meters from the bus stop, the Ravello Art Centre hosts all two-piano concerts.

Concert Tickets

Numbered seats: Euro 27,50 (children under 16s Euro 15,00), fees included. It is preferable to book on the web: ticket collection will be at the venue box office that opens 30' minutes before each performance. It is also possible to purchase tickets at the Ravello Arts Council Box Office in the main square and at the Tourist Information Office in Via Roma. Virtual Ticket: Euro 12,50 to download, when available, the concert's live recording. Tickets are not refundable (except in the event that the performance is cancelled), but may be exchanged up to 24 hours before the event for a different concert. The right is reserved to substitute artists, to vary the advertised program and the concert location if necessary.

Free WiFi

Free Wifi Service provided by the UK Company Purple WiFi Ltd is available inside the Annunziata and around the Box Office. Search for RCS Free WiFi and stay connected with your friends!

Live recordings

We record all concerts for future CD release. The recordings are not designed to document perfection, but to capture the excitement of the live concert experience. If you have not bought a Virtual Ticket in advance, ask at the box office about the availability for the concert that you have just attended or write to info@ravelloarts.org for past recordings.

Dress code

Don't worry, you do not need to bring an evening dress in your baggage. Casual wear is the rule.

Concert & Museum entrance

Concert tickets purchased on RCS internet site (www.ravelloarts.org) include free entrance to the Ravello Cathedral Museum.

... AND STEPS!

The vertical city

To reach the Annunziata you have to walk down (...and up) 91 steps from the Villa Rufolo main entrance. Another 90 steps downward will take you to a drivable road (Via della Repubblica). In case you booked a taxi, you can ask the driver to pick you up on this road at the end of the concert. Most of Ravello's historical and artistic sites can be reached only going up and down by foot. We apologize, but the Amalfi Coast has been growing vertically over the centuries and that makes it so beautiful!
